## Insurance Act 2015

This policy is compliant with the principles of the Insurance Act 2015 law reforms. It also incorporates an 'opt out' which aims to promote good customer outcomes. We have opted-out of the 'proportionate reduction of claim remedy' available to insurers under the Act. This means that in cases of non-disclosure or misrepresentation which are neither deliberate nor reckless, if we would have charged an additional premium had we known the relevant facts, we will charge that premium and pay any claims in full rather than reducing claims payments in proportion to the amount of premium that would have been charged.

We believe that our 'additional premium approach' should, in most situations, be more favourable to our customers when compared to the proportionate reduction of claim remedy. Our additional premium approach does not affect our right to apply the other remedies available under the Act for non-disclosure or misrepresentation.

## Financial Services Compensation Arrangements

Zurich Insurance plc is covered by the Financial Services Compensation Scheme (FSCS). You may be entitled to compensation from the scheme if they cannot meet their obligations. This depends on the type of business and the circumstances of the claim. For compulsory insurance, such as third-party motor insurance, you may be entitled to compensation up to 100% of the claim. For all other types of insurance, such as damage to the vehicle, you may be entitled to compensation up to 90% of the claim. You can obtain more information about Compensation Scheme arrangements from the FSCS by:

Freephone: 0800 678 1100  
Telephone: 020 7741 4100  
Website: <http://www.fscs.org.uk>  
Address: Financial Services Compensation Scheme, 10th Floor, Beaufort House, 15 St Botolph Street, London, EC3A 7QU.

Unless specifically agreed otherwise, this is a multi-vehicle policy that will cover you for 12 months and is renewable annually. The contract of insurance is based on information you give us on the proposal form or statement of fact and any other information that you provide to us. The contract is made up of:

- **The Policy Wording** which provides full details of the terms and conditions
- **The Schedule** which is the latest policy document which gives full details of the period of insurance, the sections of the policy which are currently applicable to each of the vehicles and details of any additional excesses, limits and endorsements
- **The Certificate of Motor Insurance** which identifies the vehicles covered, who may drive the vehicles and what the vehicles can be used for.
